

Welcome to Monte-Bellaria!

We hope you enjoy your visit!

We're happy that you will be visiting our farm! Here are a few tips to make your visit more enjoyable.

Before you visit the farm:

- ✦ Please make sure you have confirmed tickets OR that you have confirmed public hours.
- ✦ Due to crowding, there are many weekends that we do not accept walk-ins.
- ✦ Always check our website, www.monte-bellaria.com, for up-to-date information.
- ✦ We cannot update social media sites with all details.

Please plan for the following:

- ✦ Make a map of the route in advance; cell reception is spotty and certain GPS systems don't work well.
- ✦ Unfortunately, **NO DOGS** are allowed. You may not leave a dog in the car while you visit.
- ✦ We are in a fire-zone. **NO SMOKING** is allowed anywhere on the premises at any time.
- ✦ Wear good walking shoes. This is a working farm with gravel and uneven surfaces.
- ✦ Wear a hat or other protection from the sun. Wear layers if it is chilly.
- ✦ Drive slowly on our gravel roads to keep the dust down.
- ✦ Keep children with you, under adult supervision, at all times!
- ✦ In order to preserve the tranquil experience, **NO DRONES** are allowed.

Field Visit Rules:

- ✦ This is Not a U-Pick Operation--**Do Not Pick the Flowers.**
- ✦ For Your Safety: **Do Not Walk into the Rows of Plants.**
- ✦ You are free to walk the mowed paths AROUND the fields of lavender.
- ✦ You are free to take pictures anywhere in the trails around the lavender fields.
- ✦ Special platforms are set up to make it look like you are standing in a full field of lavender.
- ✦ Benches are available around the property for resting and taking in the beautiful views.
- ✦ There are four public picnic tables, first come-first serve. Please clean up your table and carry out anything (food wrappers, garbage, water bottles, coffee cups, etc.) that you bring with you.

Thank you to Sonoma County Farm Trails for providing some of these tips for a pleasant visit!

THANK YOU!
